

SafeScript CA

Digital Certificate

Enrollment Guide

With

ePass2003 Token

Online Enrollment Process

Open the enrolment URL as given below

<https://dsc.safescrypt.com/charteredinfo/>

The screenshot shows the 'Account Details' section of the safescrypt website. The account name is 'charteredinfo' and the organization is 'Chartered Information Systems Pvt Ltd'. The primary contact is 'Bharat Hedaoo'. To the right, there are two sections for RCAT Class options:

- 1. RCAT Class 2**
 - 1.1 RCAT Class 2 for Individual - Signing 1 Year Validity
 - 1.2 RCAT Class 2 for Individual - Signing 2 Years Validity
- 2. RCAT Class 3**
 - 2.1 RCAT Class 3 for Individual with Organisation Name - Signing 1 Year Validity
 - 2.2 RCAT Class 3 for Individual with Organisation Name - Signing 2 Years Validity
 - 2.3 RCAT Class 3 for Individual with Organisation Name - Encryption 1 Year Validity
 - 2.4 RCAT Class 3 for Individual with Organisation Name - Encryption 2 Years Validity

The screenshot shows the 'Registration Details' form on the safescrypt website. The form includes the following fields:

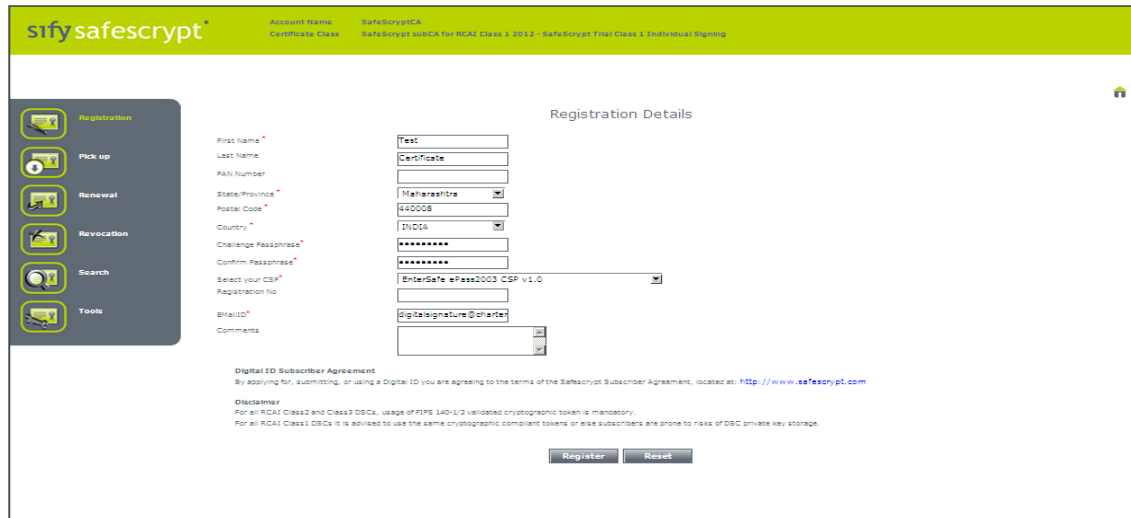

- First Name: Test
- Last Name: Certificate
- PAN Number: [Empty]
- State/Province: Maharashtra
- Postal Code: 440008
- Country: INDIA
- Challenge Passphrase: [Masked]
- Confirm Passphrase: [Masked]
- Select your CSP: EnterSafe ePass2003 CSP v1.0
- Registration No: [Empty]
- Email: digitalsignature@charter
- Comments: [Empty]

Below the form, there is a 'Digital ID Subscriber Agreement' section with a link to the agreement and a 'Disclaimer' section. At the bottom, there are 'Register' and 'Reset' buttons.

Note: Information must be accurate and in-line with the subscription form as this information will be **displayed in your Digital Certificate**.

Select your CSP*: Enrollment URL will populate the Cryptographic Service Providers list which has been installed in your system. Select EnterSafe ePass2003 CSP v1.0 from CSP dropdown to enroll Digital Signature on ePass2003/Auto tokens.

Click on **Register** once you complete all required information's

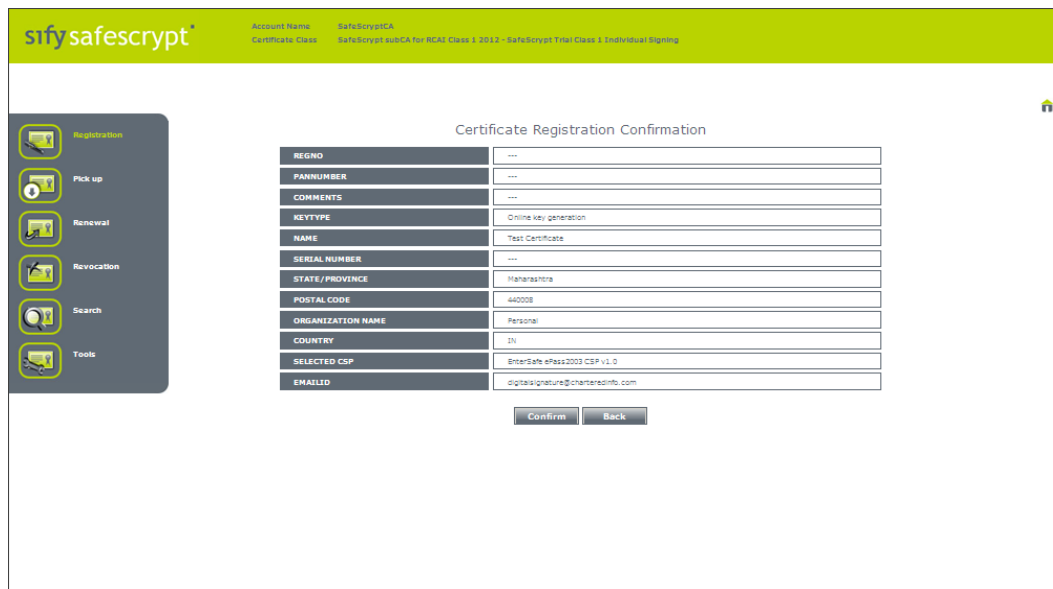

The screenshot shows the 'Registration Details' form in the safescript application. The form includes the following fields:

- First Name: Test
- Last Name: Certificate
- PAN Number: [Empty]
- State/Province: Maharashtra
- Postal Code: 440008
- Country: India
- Challenge Passphrase: [Masked]
- Confirm Passphrase: [Masked]
- Select your CSP*: EnterSafe ePass2003 CSP v1.0
- Registration No: [Empty]
- EmailID: digitalsignature@charter
- Comments: [Empty]

At the bottom of the form, there are 'Register' and 'Reset' buttons. Below the form, there is a disclaimer regarding the Digital ID Subscriber Agreement and the use of FIPS 140-1/2 validated cryptographic tokens.

Click on **Confirm** if all the information's are in order

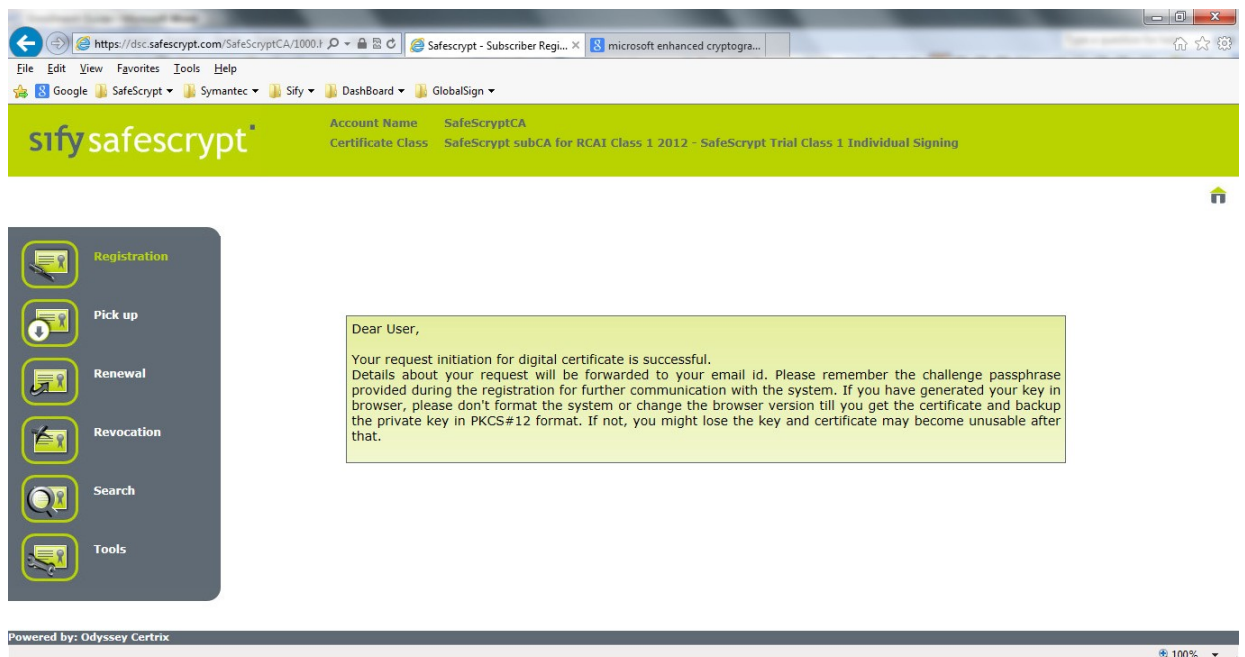

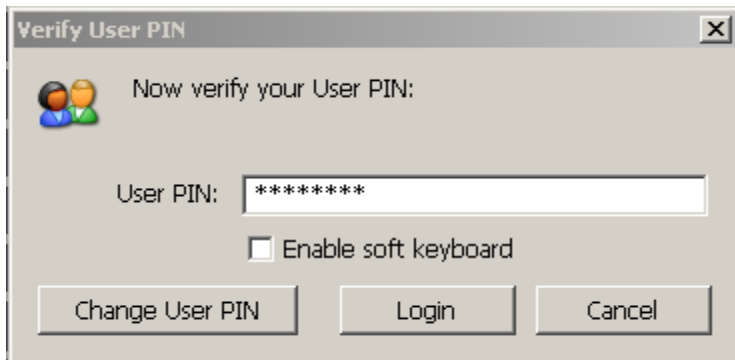

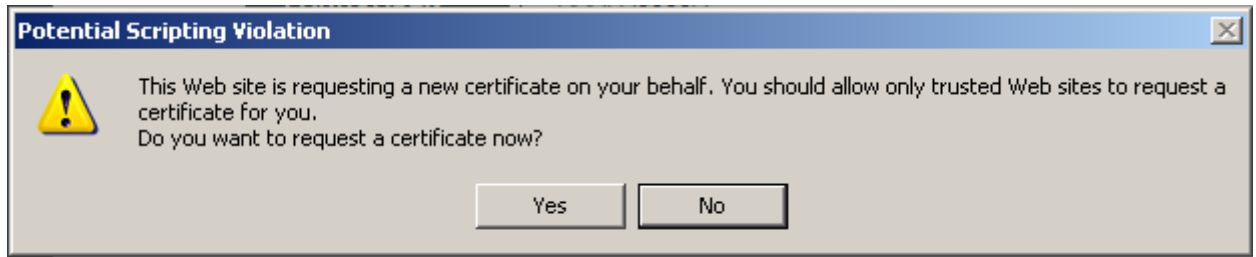

The screenshot shows the 'Certificate Registration Confirmation' screen in the safescript application. The screen displays a table with the following details:

REGNO	---
PANNUMBER	---
COMMENTS	---
KEYTYPE	Online key generation
NAME	Test Certificate
SERIAL NUMBER	---
STATE / PROVINCE	Maharashtra
POSTAL CODE	440008
ORGANIZATION NAME	Personal
COUNTRY	IN
SELECTED CSP	EnterSafe ePass2003 CSP v1.0
EMAILID	digitalsignature@charteredinf.com

At the bottom of the table, there are 'Confirm' and 'Back' buttons.

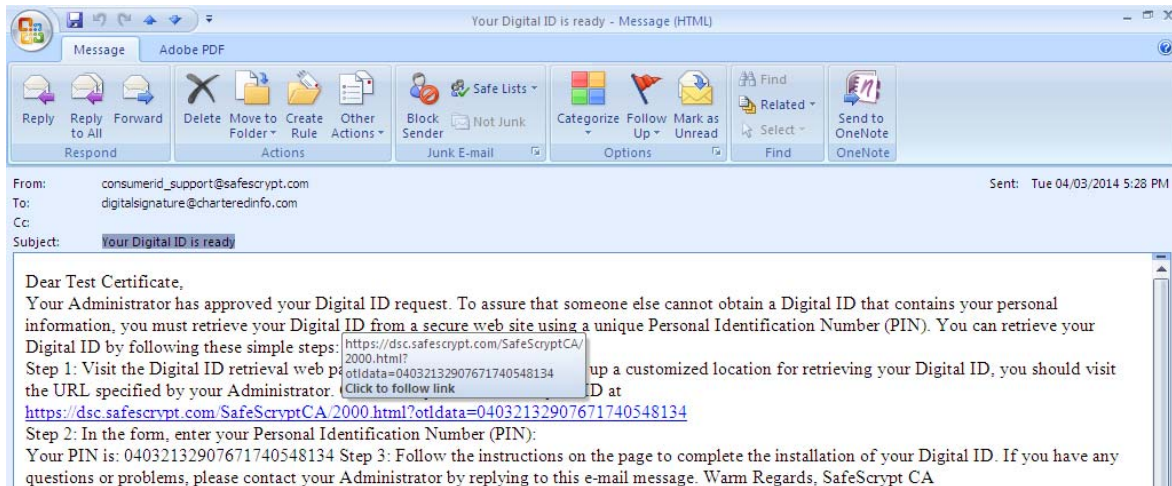

Provide your Token password and you will get a successful message if the private key is generated in the Token

Process for Download

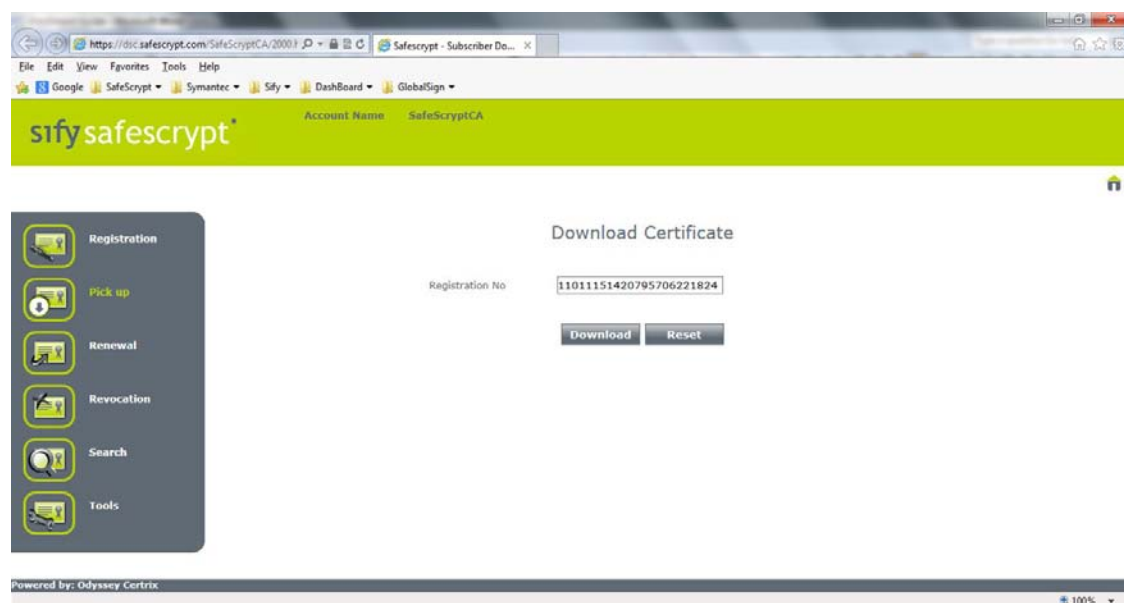

Receipt of email with pick up PIN

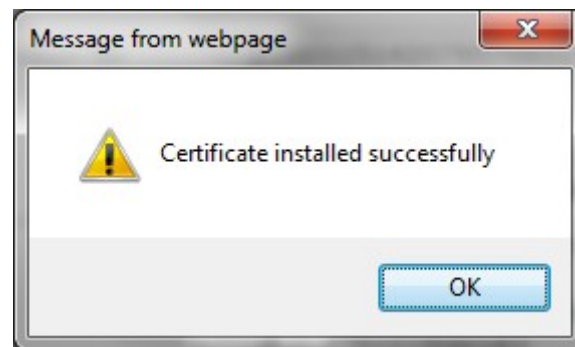

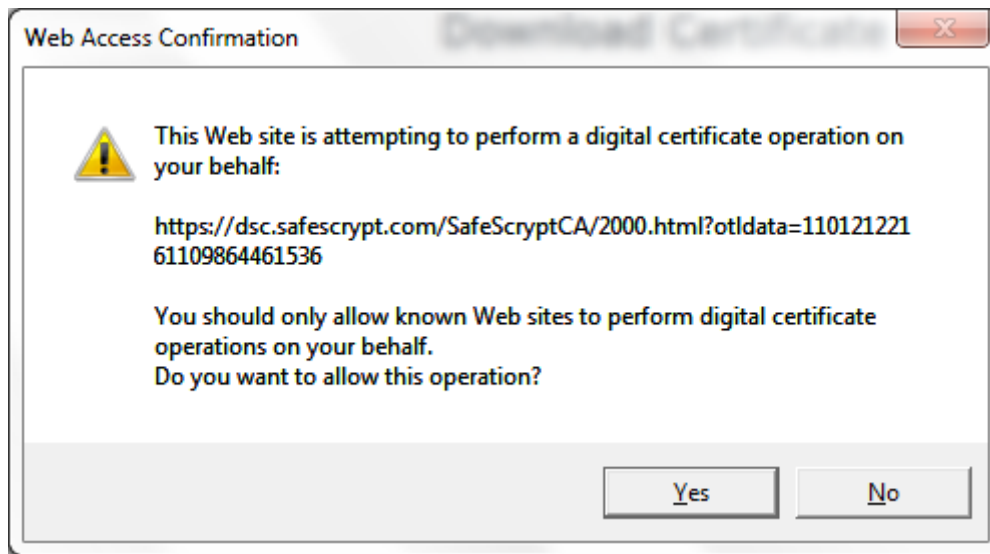

Once SafeScript CA approves the request after due validation process, subscriber will receive an email with a PIN and link to pick-up the Certificate

To pick up the certificate, subscriber needs to insert the same token which has been used for the enrollment and need to click on the link in the Pickup PIN mail.

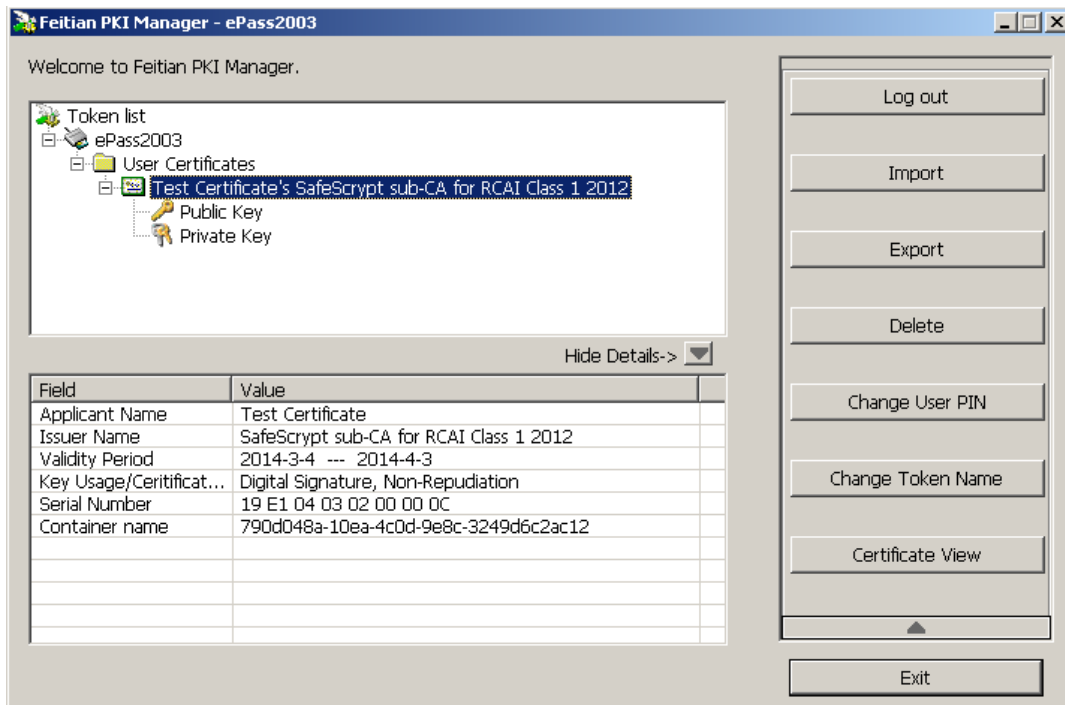

Click on **download** and the cert will get installed to the Token directly

Verification of Successful Pick up

To verify the successful pick up, login to the Token and the contents should look similar to the below screen shots.

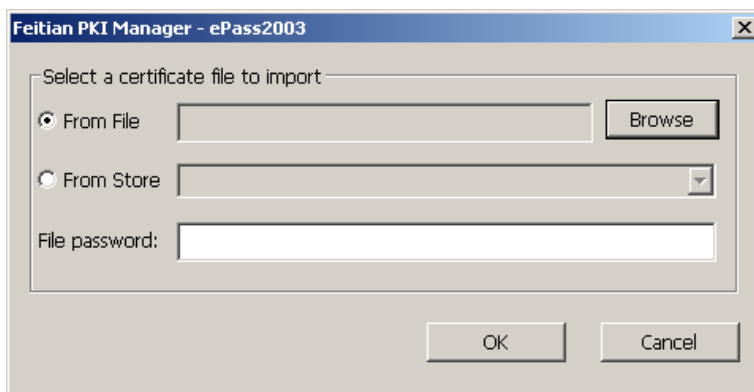

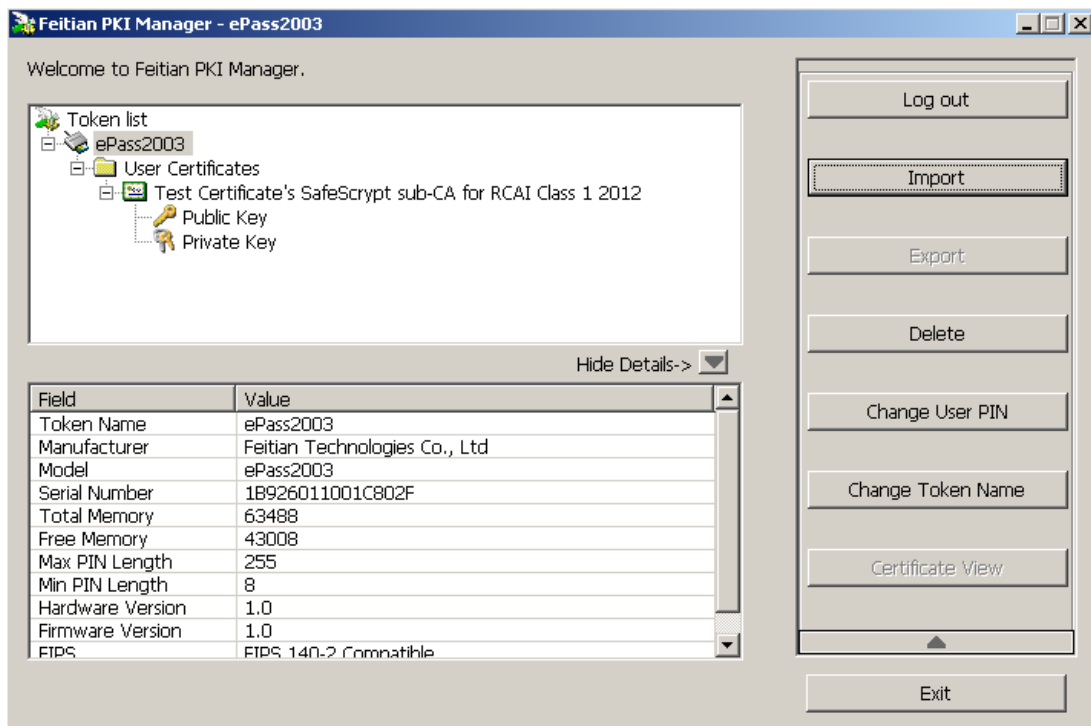

Field	Value
Applicant Name	Test Certificate
Issuer Name	SafeScript sub-CA for RCAI Class 1 2012
Validity Period	2014-3-4 --- 2014-4-3
